The primary function of the Supported Living Lead is to work with the STEP team to assure the provision of high quality services in the Supported Living, PD Waiver, and Foster Care programs.

### **Essential Duties and Responsibilities:**

#### **We are people-centered.**

1. Oversee and directly provide services that facilitate a creative and healthy environment for adults with developmental disabilities
2. Develop and mentor strategies for staff that facilitate inclusion in community life, advocating as necessary to achieve inclusion
3. Ensure the completion of fiscal and other assigned duties to support activities and a positive learning environment appropriate to the goals of each individual
4. Assure Life Enrichment Specialists are providing for the daily, personal, medical, and/or behavioral needs of the people receiving services

#### **We are collaboratvie.**

1. Participate in the development of Personalized Support Plan (PSP) and PSP team meetings with the individual, the individual's family, and other support agency representatives as appropriate and notify all interested parties of changes in the needs or desires of the individual utilizing Person Centered Thinking
2. Participate in planning and service team meetings and all other meetings related to the performance of job duties

#### **We are open.**

1. Work closely with the Residential Services Manager and Residential Services Supervisor to assess the quality of services with ongoing expected growth of Supported Living services at STEP
2. Provide training, coaching, observation, and problem solving with the Life Enrichment Specialists to assure thorough knowledge, proficient skills, and professionalism in the provision of services
3. Coordinate the hiring, orientation, training, and on-going coaching for Life Enrichment Specialists
4. Demonstrate, coach, and promote teamwork, cooperative communication, collaborative problem-solving and responsible decision-making with all team members

#### **We are fun and playful.**

1. Support team members and people we support to create time in their everyday lives, including, work, to acknowledge and celebrate their successes
2. Communicate and celebrate with teams and people we support the big and small contributions they make to the lives of others
3. Infuse appropriate humor and encourage others to laugh, take the disappointments lightly, and find deep satisfaction in all we do

4. Recognize, demonstrate gratitude, and applaud each person's unique gifts and contributions
5. Encourage appropriate humor and play in all functions and activities

**We are excellent.**

1. Assure accuracy of individual files, plans, fiscal management and all other required support documents
2. Assure all Life Enrichment Specialists are current on required trainings, certifications, and re-certifications
3. Assure knowledge of procedures for the health and safety of individuals and Life Enrichment Specialists and assure compliance with health and safety requirements
4. Promote positive interaction and participation in agency functions and activities
5. Attend scheduled team meetings
6. Accept all other responsibilities as assigned

**Minimum Qualifications:**

To perform this job successfully, an individual must be able to perform each essential job function satisfactorily. The qualifications listed below are representative of the minimum knowledge, skill and ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

**Education and/or Experience:**

1. Must be 18 years of age or older
2. Must have a High School diploma or GED, Bachelor's degree in Human Services or a related field is preferred

8. Must possess excellent oral, written and interpersonal skills and good customer service skills

**Physical Demands and Work Environment:**

1. Ability to accommodate alteration of scheduled hours or days off or variety of work sites as necessary
2. Ability to physically lift, push, pull, bend, stoop and reach
3. Ability to function with minimal supervision and coaching within the responsibilities of the job description
4. Ability to provide supports for people who may engage in physical aggression directed towards themselves or others using positive behavioral supports
5. Ability to assist to the personal care needs of the people receiving services
6. Ability and capacity to assist individuals with physical disabilities, i.e. movement of wheelchair, transferring and lifting of individuals

**HIPAA Level of Accessibility:**

STEP, Inc. assures that health information is secure and protected in compliance with the Health Insurance Portability and Accountability Act (HIPAA). To assure this, employees are allowed access to protected information only so much as is required to perform the essential duties of their position. Each job description will include the level of accessibility that is required:

- Level One – access only to the information for the assigned clients.
- Level Two – access to all information for the clients receiving services within the program.
- Level Three – access to all information for the clients, and potential clients, receiving services within the department.
- Level Four – access to all employee information
- Level Five – access to all information for the clients receiving services within the agency and access to all employee information.

**Statement of Understanding:**

I have read the above position requirements. I assert that I meet the minimum requirements; I am able to perform the essential job functions and satisfy the expectation of regular attendance at the work site. I further understand that signing the job description does not constitute a written or implied contract of employment.
